

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 4, 1996

SUBJECT: **SB 2218 - HB 2194**

This bill, if enacted, will prohibit any municipality from limiting the number of beer permits it may issue for off-premises consumption.

The fiscal impact from enactment of this bill is estimated to be an increase in state and local government sales tax and application fee revenues to the extent that municipalities that are currently limiting the permits no longer do so and issue new permits. Such increase cannot be determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
